WORK EXPERIENCE

Snapfind - Delhi

Business Development and Operations Executive | *February 2024 - October 2025*

- **Lead Sourcing:** Identified high-intent B2B prospects by scraping hiring data and company profiles from LinkedIn, Glassdoor, and Naukri.
- **Data Management & Pipeline:** Verified stakeholder contact details via Apollo.io and maintained a master lead database in Google Sheets; managed the full sales pipeline in ClickUp to track leads from initial contact to closure.
- **Structured Email Outreach:** Designed and executed a multi-stage outreach sequence, sending the initial pitch on Day 1 followed by strategic follow-ups on Day 2 or 3 as per management protocol.
- **Key Sales Achievements:** Successfully closed 3+ clients per month, including major industry accounts such as Plixlife, Meragi, Awfis, Perfora, and Bluecopa.
- **High-Level Client Liaison:** Acted as the primary point of contact for senior stakeholders, managing recruitment and operational needs for specialized roles such as Finance Controller, Marketing Head, and other executive positions.
- **Recruitment Operations:** Facilitated the delivery of 5-10 pre-vetted candidates per role to clients, streamlining their internal filtering process and ensuring high-quality talent matches.
- **Internal Communications:** Coordinated real-time project updates and candidate handoffs between clients and internal teams using Slack to maintain transparency and efficiency.
- **Campaign Analytics:** Utilized Mailgun to monitor email deliverability, campaign health, and conversion rates, providing data-backed status reports to leadership.
- **Data Analytics & Dashboarding:** Extracted raw operational data and utilized **Antigravity** (AI agent framework) to automatically process, analyze, and build interactive visual dashboards for internal team tracking and decision-making.

Arbhu Enterprises - Bangalore

Business Development Intern | November 2022 - July 2023

- **International Sales:** Expanded company footprint into the USA and EU by securing 3 international B2B accounts for eco-friendly products.
- **Market Analysis:** Performed research across e-commerce portals to identify and qualify potential global distribution partners.
- **Direct Engagement:** Conducted outbound lead generation through targeted cold calls and professional email sequences.
- **Client Qualification:** Managed initial inquiries regarding pricing and product specs, qualifying leads before transferring to the Sales Head for final closure.

TECHNICAL & DATA SKILLS

- **Agentic Workflows & AI Automation:** Antigravity Agent Workflow, Prompt Engineering, System Instructions, and building autonomous data analysis pipelines.
- **Data Visualization & Analytics:** Building interactive dashboards, automated chart generation, tracking campaign health, and operational data analysis.
